This is a response to a letter sent to Making Business Excel PAC from the FEC on April 8, 2005 re: Amended October Quarterly Report received on 1/28/2005. There were 4 contributions that because of their dates received were accidentally not filed in the correct quarter. Therefore, as soon as the error was detected, I called my FEC counselor, Kristine Adams to discuss. She stated that I needed to amend that quarterly report. I did so promptly and made certain there were no other errors of this nature. Thank you for your patience with this issue and please contact me if there are any other issues concerning this matter as we want complete and thorough disclosure of all receipts. Thank you.
